

## Project Use Case & Deployment Confirmation Certificate

This is to formally acknowledge that the following student(s) from K.R. Mangalam University have successfully undertaken and completed an industry-based project under our mentorship, in alignment with the stated objectives and requirements of our organization.

### Project Details:

- **Project Title:** SkillScholar
- **Domain/Technology Used:** html, tailwind css, node.js, MySQL, vercel
- **Industry Use Case / Business Problem Addressed:**

SkillScholar addresses the fragmented and inefficient scholarship ecosystem by providing a centralized platform that connects students with the most relevant financial aid and skill development opportunities. It tackles key challenges such as lack of awareness, complex eligibility filtering, and poor application tracking. For educational institutions, NGOs, and scholarship providers, SkillScholar streamlines candidate matching, improves outreach, and enhances impact assessment, making the scholarship process more accessible, transparent, and effective.

- **Expected Outcome/Utility of the Project in Our Organization:**

SkillScholar is expected to enhance scholarship accessibility, streamline the selection process, and support our organizations mission of promoting inclusive education. It will serve as a smart platform to manage, track, and analyze scholarship distribution while empowering students through personalized recommendations and opportunities.
